

88 FUTURE READY CITIZENS SCHOLARSHIP

Apply now to receive up to A\$33,000 worth of exclusive scholarships

MAKE THE RIGHT DECISIONS FOR YOUR FUTURE

Along the way of this educational journey, each student will be developed and polished closely by AusConnect, Curtin College and Curtin University to maximise the potential of human being to uplift performances

What is 88FRC?

This project aims to inspire and nurture Thai students to become future ready citizens who are connected to their community, passionate in their endeavours, confident in their quality decisions, and who are creative, generous and optimistic in their outlook.

The 88FRC scholarship can be divided into 4 main categories as shown below:

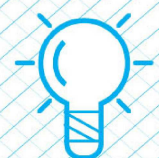

15% off University tuition fee

\$13,140 - \$55,500

English Scholarship

up to \$6,295

Professional & Personal Development

\$10,850 value

Guaranteed internship

\$3,000 value

COLLEGE/UNIVERSITY tuition fees

Curtin College and Curtin University offer a 15% scholarship on tuition fees for 88FRC students' Bachelor, Master, and Doctoral/PhD Degree(s). This applies to all faculties and all majors, for the whole course duration

Guaranteed INTERNSHIP

Curtin University ensures that all 88FRC students have their ways paved onto internships for real life, practical experiences

English Language BRIDGING course

Up to 10 weeks English Language Bridging course will be provided to students who complete their IELTS with scores 0.5 point under entry requirement (varies depending on each faculty)

Professional & Personal DEVELOPMENT

AusConnect together with 88FRC alliances will groom the students to be the successful Future Ready Citizens who will be valuable resources to their organisations, and able to contribute to their community, as well as serve the nation and be the future global assets.
