Visit curtin.edu/deadlines for application deadlines.

* Application closing dates and orientation dates are subject to change and may vary depending on the course. Dates are for Curtin Perth only. Contact other campuses directly for details.

Change is here!

With a global focus and innovation at our core, Curtin University is committed to leading positive change.

01 We are using sonar and acoustic technology to survey seafloors, monitor ocean noise and determine the effects of underwater noise on marine animals.

02 The Binar-1 CubeSat, or miniature satellite, was built by Curtin students and staff at Curtin University's Space Science and Technology Centre. It was on board a SpaceX rocket which launched from the Kennedy Space Centre in Cape Canaveral, Florida on the 29th of August 2021.

Five weeks after launching, it was deployed into low Earth orbit from the international Space Station, on a mission to collect data and take photographs from 400km above Earth. The members of Binar watched the deployment live at the Curtin HIVE, where Project Manager Ben Hartig gave the "go" for deployment.

03 Our scientists are advancing new treatments for major chronic diseases including Alzheimer's disease, inflammatory disorders, heart disease, traumatic brain injury and cancer.

04 Our researchers have developed a battery that stores energy as heat using high temperature chemical reactions, at a fraction of the cost of other storage technologies.

The research team has partnered with international renewable energy companies to develop and scale the technology, which has the potential to be an important player in the transition away from fossil fuels.

05 We're working with the building industry to design innovative, modular houses that can be easily dissembled and transported.

06 Our research at the Bankwest Curtin Economics Centre is seeking to reduce the gender pay gap and promote more women to senior management positions.

Start your future career

Our courses are designed in close collaboration with industry experts to ensure you graduate with the skills and knowledge employers are looking for. Throughout your study, you'll be introduced to professional settings through work integrated learning and internships.

Work integrated learning

Experiential learning is highly valued by employers. You will benefit from Curtin's strong links to business and industry, working on real projects and research initiatives, undertaking internships and attending events and networking opportunities. You could visit industrial sites or plants, complete real projects in collaboration with industry, participate in laboratory work or go on field trips.

Career support

We can help you find part-time work in Perth to support you while you're studying. We also offer career planning services to identify further study or career options, while our Global Careers service can connect you with employers around the world.

Visit curtin.edu/careers.

Internships

Industry placements are offered in many courses, so you can gain professional work experience while you study. Depending on your course, you could intern with one of Curtin's many industry partners, local or national businesses, undertake a healthcare clinical placement or take a practicum in a school.

Business start-ups

Suitable for aspiring entrepreneurs, the weeklong Curtin Ignition training program helps you prepare your business ideas for the commercial environment.

Visit curtin.edu/ignitionprogram.

Volunteering opportunities

If you're keen to help others, Curtin Volunteers! provides volunteering programs that enrich your student experience and develop your capabilities, while also benefiting communities throughout Western Australia.

Visit curtin.edu/volunteering.

Extracurricular activities

Curtin offers a range of extracurricular programs where you can learn new skills, make new friends and get involved in the community. You can choose programs to suit your studies and interests, and you'll receive the Curtin Extra Certificate upon graduation as evidence of your achievements.

Visit curtin.edu/curtin-extra.

A LEADER IN RESEARCH

95% of our research output was rated at or above world standard in the 2018 Excellence in Research for Australia results.

TOP 1% IN THE WORLD

Curtin is ranked in the top 1% of universities worldwide in the highly regarded Academic Ranking of World Universities (ARWU) 2021.

#1 FOR ARCHITECTURE IN WESTERN AUSTRALIA

We're ranked number one in Western Australia and in the top 100 universities globally for architecture in the QS World University Rankings by Subject 2021

EXCELLING IN HEALTH

Curtin's psychology course is ranked 8th nationally in the reputable 2021 Times Higher Education World University Rankings by Subject. Our nursing course ranked equal 11th in Australia in the QS World University Rankings by Subject 2021.

TOP 5 FOR HOSPITALITY AND TOURISM MANAGEMENT

ShanghaiRanking's Global Ranking of Academic Subjects 2021 ranks Curtin in the top five Australian universities for Hospitality and Tourism Management and in the top 50 for universities worldwide.

#1 IN AUSTRALIA FOR MINERAL AND MINING ENGINEERING

We're number one in Australia, and second in the world, for mineral and mining engineering in the QS World University Rankings by Subject 2022.

Scholarships

Scholarships offer financial, academic and career support, giving you more opportunities to gain new skills, expand your horizons and add to your portfolio of achievements.

Scholarships are not loans – the money is given to you provided you fulfil key requirements such as academic performance, work experience or volunteer commitments.

There are many scholarships available. Some are offered for academic achievement, such as the Curtin Excellence Scholarship, while others are designed to make university possible for students who face financial hardship.

International students can access a range of merit-based and need-based scholarships, including those listed below.

Merit Scholarship

If you're a high-achieving student, you may be eligible for the Curtin International Merit Scholarship which grants you a 25% discount on your first year of tuition.*

Merit Extension Scholarship

The Master of Business Administration (MBA), MBA Advance and Master of Commerce (Marketing) degrees offer merit extension scholarships, granting a 25% fee discount on tuition in your final year.*

Curtin English Scholarship

Receive a financial credit of up to A\$6,680* towards your undergraduate or postgraduate tuition once you've completed your Curtin English course.*

Destination Australia

Funded by the Australian Government, this scholarship grants students studying in a 'remote' regional location a stipend of A\$15,000 at the start of each year of the course.*

Eligibility criteria

Scholarships are offered through a competitive process for students who are:

- from low-income backgrounds
- high-achievers
- from regional areas
- studying specific courses.

Each scholarship has different eligibility criteria, application procedures and closing dates, so check these early.

Further information

Scholarships are subject to change. For up-to-date information on the scholarships available in 2023, visit our scholarships website.

The scholarships website contains:

- up-to-date information and eligibility criteria for available scholarships
- tips for writing a good scholarship application
- a sign-up email alert service that lets you know when a scholarship matching your selection criteria is open for applications. You will also receive a reminder email one week before applications close.

Visit scholarships.curtin.edu.au.

“The Destination Australia scholarship helped me succeed in both my course and future endeavours.”

Jeffin Abraham
*Master of Engineering Science
(Mining)*

Learn in Western Australia

Our Western Australian locations are thriving places of community and innovation. You'll be connected with a diverse student community and benefit from a global perspective.

PERTH

Our largest campus is just six kilometres from Perth city. It's a place of inspiration, technology-rich learning spaces, high impact research and exciting activities. All courses are available at Curtin Perth.

PERTH CITY

Curtin Law School in central Perth strengthens our links with the legal profession and the commercial heart of Western Australia.

KALGOORLIE

Our Kalgoorlie campus is located in Western Australia's historic gold mining region. You can study our renowned engineering degrees here, as well as online courses in business, education and health. Curtin Kalgoorlie also houses our Rural Health Campus, which offers regional training opportunities for medical and health science students.

Experience Perth

Located on the beautiful west coast of Australia, Perth is multicultural, prosperous and safe – an ideal destination for students and tourists alike.

01 Perth CBD

Bold new design projects have transformed the heart of Perth. Enjoy a meal by the waterfront at Elizabeth Quay, explore the state's rich cultural history at the WA Museum Boorla Bardip or take a stroll through beautiful Kings Park, one of the world's largest inner-city parks.

02 Be by the beach

Perth's coast features breath-taking beaches and scenery. Don't forget to visit Rottnest Island – a famous holiday destination near Perth that is home to the friendly quokka.

03 Getting around

The metropolitan area is serviced with an extensive road network and public transport.

04 Optus Stadium

Perth's iconic Optus Stadium was voted the world's most beautiful sporting facility in the 2019 Prix Versailles international architecture awards.

05 Western Australia's best food

Try some of the city's best food at farmers markets, and find gourmet food producers in the Swan Valley.

06 Shopping and culture

Perth is home to Elizabeth Quay, Forrest Place, Murray Street Mall and numerous galleries. The historic port city of Fremantle is only 15 kilometres from Perth, where the Swan River meets the Indian Ocean.

07 Affordable living

Perth has lower living costs than Sydney, Melbourne and Canberra. You can apply for one of Curtin's affordable campus accommodation options and enjoy living, socialising and studying in a safe and supportive environment with classes and retail outlets close by.

Perth weather

Perth has a Mediterranean climate.

	High / Low (°C)	
Summer (December to February)	30	17.5
Autumn (March to May)	26	13.7
Winter (June to August)	19	8
Spring (September to November)	23	11.7

Explore your global opportunities

● STANFORD UNIVERSITY

As a Curtin student, you'll have the opportunity to study at another Curtin campus or at one of our many partner universities in Africa, Asia, Europe, North America or South America.

You'll get to experience other cultures and build an international network that will prove invaluable both personally and professionally.

Semester exchange, study abroad and overseas summer schools are just some of the opportunities we offer.

01 SINGAPORE

Curtin Singapore is located in one of Asia's major economic hubs, connecting it to the world of international business, and making it the ideal campus to study your commerce degree. You can also study a communications degree and health degrees, including nursing.

Visit curtin.edu.sg.

Ar BL He IT

02 DUBAI

Our Dubai campus gives you the opportunity to study in the heart of Middle Eastern banking, tourism and trade. Its rich culture and economic growth can complement your study in arts, commerce, engineering, or IT and computing.

Visit curtindubai.ac.ae.

Ar BL En IT

03 MAURITIUS

Curtin Mauritius offers courses in design, communications, commerce and science. It delivers a world-class education in a tropical island nation that blends cultures from Europe, Africa and Asia.

Visit curtinmauriti.us.ac.mu.

Ar BL He IT

04 MALAYSIA

Located on the island of Borneo, our Malaysian campus is modern and vibrant, featuring lush greenery and lakes. You can study a range of Curtin degrees here, including commerce, engineering, science and arts.

Visit curtin.edu.my.

Benefit from immersive learning

At Curtin, you'll hone your skills in learning environments that simulate real workplaces, so you can step into your chosen career with confidence.

02

01 Management HQ

A highly interactive space ideal for brainstorming ideas, visualising and assimilating data, solving problems, formulating strategies and collaborating on projects.

02 Green Electric Energy Park (GEEP)

The GEEP laboratory enables you to conduct advanced experiments and research projects on various types of renewable energy sources.

03 Jeanette Hackett Moot Court

Take part in simulated court proceedings at our high-tech moot court facility in Perth city and practise your debating and legal skills in global student law competitions.

04 Curtin Engineering Pavilion

The innovative design and technologies in the spacious Curtin Engineering Pavilion Complex double up as hands-on learning tools for engineering students.

05 Trading room

Walk straight into the centre of global finance, with Thomson Reuters terminals, international news services and live stock prices.

06 The Agency

Experience first-hand how major brands monitor their digital presence at our social media command centre.

07 Simulated hospital ward

Replicating a real hospital in Perth, our simulated hospital ward features acute medical and surgical areas, a critical-care area, a paediatric area and a general simulation room.

08 Astrodome

Featuring a live feed from a 12-inch Meade Refractor telescope, you'll have a direct link to national and global astronomy projects.

09 Media production studio

Make your mark using interactive media facilities with HD and 4K-compatible technology, and industry-standard digital systems for recording and post-production editing and sound mixing.

10 School of Design and the Built Environment

The new technology-rich, five-storey building is designed with exposed mechanical, electrical and hydraulic services and structural elements to help you understand how buildings function.

11 3D virtual bodies

Cut, pinch, rotate and zoom on a virtual human body with our Anatomage tables.

12 Curtin clinics

These clinics provide opportunities for health students to learn in professional environments.

04

07

Live and learn on campus

There is a sense of community both in and out of the classroom, with collaborative learning spaces and outdoor leisure areas to enjoy between classes.

Buy your essentials on campus

Shops on campus stock a variety of textbooks, stationery, magazines, novels, cards, art and computer equipment. There's a dry-cleaning outlet and self-serve printing and binding.

Events

Market days, multicultural week, live music and the Guild Ball are just a few of the amazing events held on campus.

Technological convenience

Wi-fi can be accessed across the campus and there's a number of places on campus where you can recharge your devices. We also have several computer labs equipped with printing stations, scanners, graphic workstations, smart boards and current software.

Study hard, play hard

Curtin Stadium is the home of sport and fitness on campus, offering you access to:

- a 900sqm fully equipped gymnasium
- a group fitness studio
- a specialised studio
- a health and rehabilitation clinic
- vast outdoor recreation spaces
- indoor and outdoor multi-use courts.

With a strong focus on enhancing wellbeing and healthy lifestyles, you're encouraged to participate at any level, from spectator and supporter to representative and competitor.

The facilities, services and programs will inspire and engage you, and contribute to your vibrant student experience. Take the opportunity to try new things, move each day and find out there is more to university life than study.

Visit curtin.edu.au/sport.

Food, glorious food

Whether you need coffee or kombucha, a quick sandwich or a hearty hot meal, you can get it on campus. We have great cafés and a variety of food trucks!

Supporting your health and wellbeing

Studying can be challenging at times, so we offer a range of health and wellbeing services based conveniently on campus. These include a physiotherapy clinic, and a medical centre where you can make an appointment to see a doctor, occupational therapist, psychologist, counsellor or social worker.

If you have a disability or you're caring for someone with a disability, you can access support services and assistance to help you succeed at Curtin. Our Student Wellbeing Advisory service also offers free and confidential support for any issue that may be affecting you, no matter how big or small.

Study support

We acknowledge that uni is different to school study, so we offer support to help you transition to university, such as for peer-to-peer tutoring and library help.

Settling in

You'll start your course with Orientation Week, where you will receive lots of support from Curtin Connect and student advisors.

Get the course advice you need

Head to Curtin Connect in building 102 for advice on courses, applications, enrolment, getting your ID card and organising your timetable.

Security and personal safety

At Curtin Perth, we provide a 24/7 security patrol, after-hour security escort, campus courtesy bus, emergency telephone stations, the SafeZone safety app, secure-card building access and well-lit pathways.

Accommodation

If you're looking for independence when you finish school, consider living on campus. You'll enjoy an immersive university experience where you can live, study and socialise.

Curtin has six on-campus housing options that are surrounded by recreational spaces. Our newest accommodation buildings, Twin Dolphin Hall and St Catherine's College, form part of our industry-connected Exchange precinct. We also have student accommodation options at Curtin Kalgoorlie.

All our Perth accommodation options are a five-to-ten-minute walk from your classes and close to Curtin Stadium, Curtin Central Bus Interchange, and cafés and restaurants – offering all the convenience of an urban lifestyle and plenty of opportunities to make new friends.

And when you're ready for a study break, you're a short drive from the Perth CBD, Optus Stadium, the South Perth foreshore, local café strips and major shopping precincts.

St Catherine's College

St Catherine's College offers a personalised and supportive residential experience that helps you achieve success in your university studies and beyond.

Rent includes meals and academic support that is tailored to suit the different stages of your university journey, such as free tutoring and formal academic dinners. It also incorporates the wider college community for collaborating, networking and events and features an impressive dining hall, dedicated study spaces, common areas and music rooms. There are various room types that give you options to have a little extra space, and décor is modern and neutral so you can make it your own.

UniLodge

UniLodge offers a range of independent living options including self-contained studios with ensuites and furnished private rooms in shared apartments. Living on campus with UniLodge you can enjoy weekly events and activities, 24/7 security, plus you don't have to pay a bond or security deposit.

Twin Dolphin Hall

Twin Dolphin Hall offers self-contained studio options as well as private rooms in two-, four- or six-bedroom apartments, plus accessible units. The new ten-storey building has excellent facilities including commercial laundries, games room, music room, art room and common rooms on each level for you to relax or study with friends. On the top level you will also find a theatre room for movie marathons or catching up on your favourite shows.

Benefits of living on campus

- You'll live in a supportive environment where you can meet new people, make friends and feel part of the community.
- All our accommodation is furnished and you'll benefit from free Curtin wi-fi, an off-peak gym membership at Curtin Stadium, plus all your utilities are included in your weekly rent.
- You can make the most of the university services, including the library, peer study groups, sport facilities and medical services.
- There's minimal travel time to classes.
- You can have greater involvement in the campus community in clubs, volunteering and events.
- You'll gain independent living skills in a safe environment.

Erica Underwood House

This homely environment sits across the road from Curtin, close to shops and restaurants and accommodates 324 students. There are 54 furnished, six-bedroom apartments, each with two bathrooms, bedrooms with desks and chairs, a lounge and dining area and an open-plan kitchen.

Vickery House

Sitting amongst beautiful gardens on the southeast boundary of Curtin Perth, Vickery House offers 42 furnished six- and eight-bedroom units. The common space also features a music room with a drum kit, keyboard and microphone!

Guild House

These furnished apartments are located across the road from Curtin Stadium, on the corner of Kent Street and Jackson Road – perfect for anyone who wants to keep fit and enjoy the outdoors. There are 31 private rooms available across four- and six-bedroom apartments.

Kurrajong Village

This housing is located on the west side of Curtin Perth, opposite Waterford Plaza shopping centre. There are four properties available within the tranquil gardens – Don Watts House, George James House, Japan House and Rotary International House. Options range from private rooms in eight-bedroom apartments to studio apartments.

Studying in Kalgoorlie?

If you are studying at Curtin Kalgoorlie as part of your degree, you can live at the Agricola student accommodation. Agricola is located across from the campus and is just a short walk to the town centre.

Courses

Our degrees provide opportunities to choose from a range of subjects, giving you the freedom to study towards your dream career and pursue personal study interests at the same time.

Single degrees

This degree type is three or four years of full-time study in one specific subject. You will learn about a wide range of topics within this subject, but ultimately your studies focus on your chosen area. You'll gain in-depth knowledge and graduate an expert in your field.

Double degrees

Some of our degrees can be paired with another degree to broaden your knowledge. A double degree increases your skills and knowledge across two complementary learning areas, giving you more career choices and the flexibility to adapt to changing employment trends. The condensed program structure means it may take only 12 to 18 months longer than a single degree.

When you study a double degree, you specialise in a major within each degree. You will study more units from the degree listed first in the course title. When you complete your course, you're awarded with two degrees.

Double degree combinations

Here are the different combinations available in a double degree. For admission criteria and prerequisites, find the corresponding single degrees in the pages that follow. The same criteria apply to the double degree.

“Selecting the right international university was important to me. I chose to study a Master of Professional Engineering at Curtin because of the quality of its teaching program, strong industry links and its multicultural community. Thanks to the wonderfully supportive staff, I’ve been able to grow my confidence speaking English, learn from diverse viewpoints and gain valuable Australian work experience in my field.”

Johanna Aguirre

Public Health MAL	080069E	1 year	Feb, Jul	\$39,270	\$39,270	A bachelor degree preferably in health, education, behavioural sciences, social sciences or management.
MASTER						
Clinical Exercise Physiology	097865D	1.5 years	Feb	\$41,370	\$62,055	A bachelor degree in Exercise and Sports Science or equivalent, with a course weighted average of at least 60 per cent. The bachelor degree must meet the accreditation requirements specified by Exercise and Sport Science Australia (ESSA). If you have completed a non-ESSA accredited undergraduate degree in exercise science or similar field, you must attain a Graduate Entry Assessment through ESSA prior to course admission.
Clinical Physiotherapy: • Contenance and Women's Health stream • Musculoskeletal stream • Sports Physiotherapy stream	049888F	1 year	Feb	\$43,050	\$43,050	A bachelor degree or higher qualification in physiotherapy or equivalent, plus at least three years of relevant clinical experience AND registration as a physiotherapist with the Physiotherapy Board of Australia, or eligibility for limited registration for postgraduate training in Australia
Dietetics	079872K	2 years	Feb	\$39,270	\$78,540	An undergraduate degree that meets the Dietitians Association of Australia requirements for entry to a graduate entry master. These requirements specify that 50 per cent of each of the first and second years of undergraduate study must comprise bioscience, chemistry, physiology and biochemistry AND completed equivalent of 100 credit points of undergraduate study in nutrition at second and third year levels. Entry to this course is competitive and a high course weighted average is required.
Doctor of Physiotherapy (extended Masters)	0100217	3 years	Jan	\$48,431	\$129,150	A bachelor degree or equivalent with a minimum course weighted average of 70 per cent AND successful completion of three of the following subjects at Bachelor of Science level or equivalent (Australian Qualification Framework Level 7 or higher): human musculoskeletal anatomy; human biology/physiology; health research methods or evidence-based practice. Entry to this course is competitive and the cut-off score may be higher.
Health Administration	006110A	2 years	Feb, Jul	\$37,275	\$74,550	A bachelor degree or equivalent in an appropriate discipline OR work experience in health administration if you do not have a health-related degree.
Nursing Practice	064467B	2 years	Feb, Jul	\$34,860	\$69,720	A bachelor degree or equivalent with a minimum course weighted average of 70 per cent AND completion of a human biology unit and a research unit at tertiary level. Entry to this course is subject to quota.
Occupational Therapy	077383K	2.5 years	Jan	\$45,360	\$105,840	A bachelor degree or equivalent, preferably in a health-related discipline with a course weighted average of 65 per cent AND evidence of studies in the human biosciences (e.g. human biology).
Psychology (Professional)	084066J	1 year	Feb	\$36,900	\$36,900	A four-year Bachelor of Psychology or equivalent completed within the last 10 years, approved by the Australian Psychology Accreditation Council. Entry to this course is competitive and shortlisted candidates will be interviewed.

All courses are offered at Curtin Perth. Courses offered at other campuses are indicated with the relevant icon. Fees and intake periods are for Curtin Perth. Please contact the relevant campus for course fees and intake periods at other campuses.

Admission criteria

For admission to Curtin, you must satisfy minimum academic entry requirements and English language requirements. Entry is competitive and levels higher than the minimum may be required for admission to some courses.

Undergraduate admission criteria

To apply for entry to Curtin's undergraduate courses, you need to have achieved the following:

- A recognised education qualification from your home country (refer to table on page 50).
- English language proficiency.
- Course prerequisites.

Postgraduate admission criteria

To apply for entry to Curtin's postgraduate courses, you need to have achieved the following:

- A recognised university degree.
- English language proficiency.
- Course prerequisites.

Research admission criteria

To be eligible for entry to our research courses, you need to have achieved the following:

- A minimum of four years' previous study in a tertiary institution.
- Meet the eligibility criteria of the Graduate Studies Committee for the proposed enrolling area/s.
- Confirmation from the head of your enrolling area that the necessary supervision and facilities can be adequately provided to support your research.
- English language proficiency.

Find a research supervisor

Find a research supervisor at curtin.edu/hdr-supervisors.

English language proficiency

For entry to all Curtin courses, you must be able to demonstrate proficiency in English.

You can demonstrate your English skills through the recognised tests and qualifications in the table on the right. Some courses require a different level of English – these courses are listed in the table, 'Courses with other English language requirements' on page 46.

If you don't meet the English requirements, you may be eligible to enrol in a program with Curtin English. Completing a program at our Curtin English language centre will help you meet the English levels you need to study at Curtin. See page 52 for more information.

General English language entry requirements

English language test	Score
IELTS (International English Language Testing System) Academic - Listening, Reading, Writing, and Speaking - Overall band score	6.0 6.5
GCSE/GCE O-level English/English Language/English Literature/General Paper/ESL	Grade C
GCE Advanced Subsidiary Level English/English Language/English Literature/General Paper/ESL	Grade C

Common uni words

Course types

Bachelor degree

The standard university award recognised worldwide for successfully completing an undergraduate course.

- **Double degree:** Studying two complementary bachelor degrees concurrently. For example, Bachelor of Laws and Bachelor of Arts.
- **Honours:** Additional research and coursework at an advanced level.

Postgraduate degree

A higher degree qualification and subject specialisation that can be studied once you have completed a bachelor degree.

Undergraduate study

Education that leads to your first university qualification, usually a bachelor degree.

Course structure

Major

A series of more than eight units in the same area within a bachelor degree. A major includes at least two units at final-year level.

- **Double major:** Studying two majors within a degree course. For example, Bachelor of Commerce (Economics and Finance).

Minor or specialisation

A minor or specialisation is a set of four units in the same discipline. It may complement your bachelor degree or major, and can be from the same discipline as your bachelor degree or a different discipline. For example, you may study a Bachelor of Arts (Journalism) and complement this with a commerce specialisation such as Public Relations.

Professional placement/internship

Working in a professional environment during your studies to extend your knowledge and practical skills.

Stream

A series of six units in the same discipline.

Unit

A component of a course that covers one subject area in detail. A unit may comprise lectures, tutorials, class presentations, group work, computer lab sessions, case studies, workplace assignments and exams.

- **Core unit:** A compulsory unit, which is specified in the course outline.
- **Elective unit:** A unit that can be chosen from any discipline as long as you meet the prerequisites.
- **Optional unit:** A unit that you choose from a specified list provided in the course outline.

Course essentials

ATAR

The Australian Tertiary Admission Rank, used for allocating places in university courses.

- **Guaranteed ATAR:** A rank that guarantees you a place on the course provided you meet the course prerequisites and English proficiency requirements.
- **Minimum ATAR:** The lowest rank you need to be considered for entry to a course.

Desirable

A non-essential but recommended subject completed before starting a course.

Duration

The time it will take to complete the course if you study full-time.

Intake

The semester or trimester when you can begin studying the course.

Location

Curtin campuses that offer the course.

Prerequisite

A subject or unit you must complete before starting a course or taking a higher-level unit.

STAT

The Special Tertiary Admissions Test (STAT) is a national test for those who don't meet university admission criteria. STAT can be used to meet entry criteria for some courses, or as a way to satisfy Curtin's English proficiency requirements if you haven't done so through year 12.

Visit tisc.edu.au/static/guide/stat.tisc.

Study mode

How much study you undertake in a semester or a trimester.

- **Domestic students:** Full-time study is three or four units per semester. Part-time study is one or two units per semester. Studying part-time reduces your weekly workload but extends the duration of your course.
- **International students:** International students studying in Australia on a student visa must study four units per semester for most courses. A small number of courses allow a study load of three units.

Other university terms

Advanced standing / credit for recognised learning

Recognition of any previous study or work experience you have that may exempt you from having to study some units of your degree.

COE

A COE (Confirmation of Enrolment) is a document issued by Curtin to verify your enrolment in a specific course.

Conditional offer letter

This letter offers you a place to study your preferred course at Curtin, provided you meet the stated conditions.

Faculty

A teaching area comprising university schools and disciplines.

Offer letter

This letter offers you a place to study your preferred course at Curtin.

OUA

Open Universities Australia.

Semester

A 16-week study period. There are two semesters per calendar year.

TISC

The Tertiary Institutions Service Centre processes university applications on behalf of the four public Western Australian universities. It also administers STAT.

Trimester

A 14-week study period. There are three trimesters per calendar year.

Visa

An official document or stamp in your passport, allowing you to enter, leave or stay for a specified period of time in a country.

WACE

Western Australian Certificate of Education.

Undergraduate academic requirements

The following overseas qualifications achieved at the required level are recognised by Curtin. You may use a recognised education qualification as part of your entry application to a Curtin undergraduate degree.

Minimum academic entry requirements

Country	Qualification and minimum entry requirements
Australia	Completion of Australian Year 12 (VCE, HSC, QCE, WACE, SACE, TCE, NTCE, ACT) with a minimum Australian Tertiary Admission Rank (ATAR) of 70; and a scaled mark of at least 50 in English, Literature, or English as an Additional Language or Dialect.
Bangladesh	Completion of the Bangladesh Higher Secondary Certificate (HSC) with a minimum Grade Point average of 4.0 (70–79%). Separate evidence of English competence is required.
Botswana	Refer to United Kingdom OR successful completion of part one (first two years) of a degree at University of Botswana. English competence will be assessed individually.
Brazil	Successful completion of the first year of a four-year bachelar/bacharelado or licenciatura/licenciado (degree) or título profissional (professional title) from a recognised institution and English competence.
Brunei	Three O-level passes (minimum grade C) and two A-level passes (minimum five points) in the Brunei Cambridge General Certificate of Education (GCE), and English competence.
Canada	Completion of a provincial high school diploma with an average of 60 or better in Grade 12, and including a grade of 60 or better in Year 12 English (except Quebec where separate evidence of English is required).
China	Successful completion of the National College Entrance Examination (NCEE or also known as Gao Kao) and obtain an aggregate of the required individual subjects which is equivalent to 67% of the overall maximum score, or a grade of 322/480, 422/630, 503/750, 543/810 or 603/900 with separate evidence of English competence required OR one year of a bachelor degree at a recognised university and English competence.
Germany	Completion of the Abitur/Zeugnis der Allgemeinen Hochschulreife or Reifezeugnis (secondary school leaving certificate) at Gymnasium with an average grade of 4 including English or separate English competence OR successful completion of the Fachgebundene Hochschulreife with separate evidence of English competency required.
Hong Kong	Completion of the Hong Kong Diploma of Secondary Education (HKDSE) with a point score of 15 from the best five subjects with at least a grade of 4 in English language or with separate evidence of English.
India	Successful completion of the All India Senior School Certificate awarded by the Central Board of Secondary Education (CBSE) or Indian School Certificate (ISC) awarded by Council with a grade average of 60% in the best four subjects and 60% in English or separate evidence of English; OR successful completion of Higher Secondary School Certificate awarded by one of the recognised Higher Secondary Education Boards with a grade average of 65% with separate evidence of English. Grade average requirement may vary by course.

Country	Qualification and minimum entry requirements
Indonesia	Successful completion of Ijazah Sekolah Menengah Atas (SMA) (Certificate of Completion from Academic Senior Secondary School) with an overall average grade of at least 80%, with evidence of passing the Ujian Nasional (National Examinations) in meeting Curtin's minimum academic entry requirement.
Iran	Successful completion of the first year of a four-year bachelor degree at a recognised institution and English competence OR successful completion of a two-year associate degree or higher diploma (after completion of National High School Diploma) from a recognised institution and English competence.
Japan	Successful completion of first year of a Gakushi (bachelor degree) at a recognised institution and English competence OR Certificate of Graduation awarded by a recognised technical/vocational college and English competence.
Kenya	Successful completion of the first year of a bachelor degree at a recognised institution and English competence.
Korea	Completion of High School Diploma with a score of 300 (75%) in the National University Entrance Examination (College Scholastic Ability Test) (CSAT); separate evidence of English competence is required OR completion of one year of a four-year bachelor degree at a recognised university and English competence.
Malaysia	Three credit passes at SPM level and two passes in STPM (minimum 5 points) and English competence OR completion of the Malaysian Independent Chinese Secondary Schools Unified Examination Certificate (UEC) (Senior Middle Level) with 15 points aggregated from the best five academic subjects and English competence.
Mauritius	Three O-level passes (minimum grade C) and two A-level passes (minimum five points) in the Cambridge Higher School Certificate and grade C in O-level English or English literature OR full International Baccalaureate with a minimum total of 24 points from six subjects at one sitting. Three of the subjects must be at the higher level and one of the six subjects should be English.
Myanmar	Successful completion of one year of a four-year bachelor degree or two years of a three-year bachelor degree at a recognised institution with separate evidence of English competence.
Nepal	Successful completion of School Leaving Certificate Examination (Grade XII) awarded by the National Examination Board with at least Cumulative Grade Point Average (CGPA) of 3.0. Separate evidence of English competence is required.
Norway	Completion of the Vitnemål For Videregående Opplæring (Leaving Certificate from Upper Secondary School) with an average grade of 3 plus a grade of 4 or better in English.
Oman	Successful completion of one year of a bachelor degree at Sultan Qaboos University and English competence OR completion of a recognised diploma at a public institution and English competence.

Country	Qualification and minimum entry requirements
Pakistan	Completion of the Pakistan Higher Secondary Certificate/ Intermediate Certificate with at least an average of 75% of the total marks (825 out of 1100), separate English competency is required. This qualification does not satisfy subject prerequisites.
Philippines	Completion of Philippines High School Diploma (Grade 12) (Academic track) with a final result of 80%, and a total score of at least 1000 out of 1600 in the SAT from the same sitting, with a minimum score of 400 in Evidence-Based Reading and Writing, and Math Section. Separate evidence of English competence is required.
Russia	Successful completion of one year of a Diplom ob okonchaniy vysshego uchebnogo zavedeniya (Diploma of Specialist) at a state institution or fully accredited private institution where separate evidence of English competence is required.
Saudi Arabia	Successful completion of the first year of a four-year bachelor degree at a recognised institution and English competence OR successful completion of a two year diploma or associate degree at a public university and English competence.
Singapore	Three GCE O-level passes (minimum grade C) OR completion of the Integrated Program PLUS two 'H2' level passes in the Singapore/Cambridge GCE A Level (minimum 5 points). Grade C in O-level English or English literature OR separate evidence of English competence.
South Africa	Completion of the National Senior Certificate with a grade average of Level 4 over six subjects (excluding Life Orientation), including a grade of Level 4 in the English Home Language.
Sri Lanka	Three O-level passes (minimum grade C) and three A-level passes (minimum 5 points) in the Sri Lankan General Certificate of Education (GCE) (excluding General Paper). Grade C in General English or separate evidence of English competence.
Taiwan	Successful completion of the first year of a four-year bachelor degree at a recognised institution and English competence.
Tanzania	Three passes (minimum grade C) in the Certificate of Secondary Education (CSE) examinations of the National Examinations Council of Tanzania (NECTA) and two principal level passes in the Advanced Certificate of Secondary Education (ACSE) (minimum of one C and one D grade). Grade C or better in CSE English or separate evidence of English competence.
Thailand	Successful completion of one year of a bachelor degree at a recognised institution and English competence.
United Arab Emirates	Successful completion of the first year of a degree at United Arab Emirates University and English competence OR successful completion of a diploma or higher diploma at a recognised institution, and English competence.
United Kingdom	Three GCE O-level/GCSE passes and two GCE A-level passes (minimum 5 points). Grade C or better in GCE O-level/ GCSE English, English literature or English language, or separate evidence of English competence.

Score conversion for Sri Lankan GCE A-Level

A grade = 5 points

B grade = 4 points

C grade = 3 points

S grade = 1 point

Score conversion for GCE A-level

A grade = 5 points

B grade = 4 points

C grade = 3 points

D grade = 2 points

E grade = 1 point

Subject grades conversion for STPM

A = 5 points

A- or B+ = 4 points

B = 3 points

B- or C+ = 2 points

C = 1 point

Note: Scores for individual prerequisites may be taken into consideration for assessment purposes.

How to apply

1. Find a course

Find your course in the guide or at study.curtin.edu.au.

2. Check the admission criteria

Admission is based on achieving the following:

ACADEMIC CRITERIA

Check you meet the specific entry requirements for your course (including prerequisites for undergraduate degrees) at study.curtin.edu.au.

ENGLISH

See curtin.edu/english-criteria for your country's equivalent English competency criteria.

OTHER CRITERIA

Some courses require you to provide supplementary information with your application such as a CV, personal statement or professional references. You can find more information at study.curtin.edu.au.

If you are interested in undertaking a Higher Degree by Research course, you must submit an Expression of Interest and receive an invitation from your potential supervisor prior to submitting an application. See study.curtin.edu.au/applying/research/ for more information.

3. Apply

First, get electronic copies of your qualifications and English language proficiency documents.

Applying through an agent: You may prefer to submit an application through a registered Curtin agent. To find an agent in your country, see curtin.edu/agents.

Applying online: If you'd rather not apply through an agent, find your course at study.curtin.edu.au and click APPLY NOW. From here, you can begin the online application process. Make sure your documents are ready to upload.

Successful applicants will receive an offer package, which explains how to accept Curtin's offer and how to enrol. When your enrolment has been completed, you'll receive your Confirmation of Enrolment.

Three simple steps to enrol

1. Activate OASIS

You will receive an email to activate your OASIS account, Curtin's online student portal. Here you will find all your official emails, enrolment information and class timetable.

2. Enrol in your units

Once you have logged in to OASIS, you need to complete any pending requests and enrol in your units.

3. Register for classes

Now it's time to register for your classes! When you've completed your class registration, OASIS will generate your timetable.

GETTING READY TO GO!

We want to make your transition to study in Australia as smooth as possible. Use our pre-departure resources to help you prepare for your move to Perth.

Visit curtin.edu/pre-departure.

YOUR STUDENT VISA

Apply for your student visa after you receive your Confirmation of Enrolment.

If you will be under the age of 18 when you start your Curtin course, you must nominate a guardian.

You can find more information about applying for a student visa by searching for 'student visa' on the Department of Home Affairs website.

Visit immi.homeaffairs.gov.au.

WE'RE HERE TO HELP

If you have any questions about admission, our team can help you.

Tel: +61 8 9266 5888
Email: study@curtin.edu.au
FAQ: future.connect.curtin.edu.au
Web: study.curtin.edu.au

Pathways

If you want to study at Curtin but don't meet the admission criteria, we offer two pathways for entry: Curtin College and Curtin English.

Depending on the requirements of the course you wish to apply for and your current education level, these two pathways can prepare you for direct entry to Curtin.

Curtin College

Curtin College is ideal if you have completed the equivalent of year 11 or 12 in your home country and received a high school graduate certification, but don't meet the criteria for direct entry to university.

Curtin College offers diploma courses that are equivalent to year one of a Curtin University bachelor degree. You will study units that lead to a Stage 2 Diploma qualification, enabling you to gain direct entry into year two of your chosen Curtin course.

Curtin College is based at Curtin's Perth campus, so you will enjoy access to the same services and facilities as Curtin students, making your transition to university a comfortable one.

Visit curtincollege.edu.au.

Curtin English

If you don't meet the English language requirement of your course, Curtin English can help you achieve the level you need for entry to Curtin University or Curtin College.

Curtin English courses can be packaged together with your chosen undergraduate, postgraduate or diploma program to streamline your enrolment and visa application process.

At Curtin English you will do more than improve your English. You'll develop the academic literacy skills which will prepare you to succeed in your future Curtin course.

Curtin English programs

Curtin English offers three overarching programs: General English, Gateway English and English Language Bridging. The English course you need to take is determined by your current English language test result and the level you need for entry to your chosen Curtin course.

Some of the English language test results accepted by Curtin English are:

- International English Language Testing System (IELTS) (General or Academic)
- Test of English as a Foreign Language (TOEFL)
- Pearson Test of English – Academic (PTE).

Use the English Pathway Planner tool on the Curtin English website to find out which Curtin English program is right for you.

If you don't have a recent English language test result, you will need to complete the Password test. This is an online language test provided free of charge by Curtin English to determine your English starting level. Your score can be used for entry into all Curtin English courses. For more information, visit curtin.edu/int-pathways.

Curtin English scholarship*

If you have been offered an English package with your Curtin offer, you are eligible to receive up to A\$6,680 towards your English tuition. For some students, this will cover the full cost of their English course.

This offer is available to international students who are studying Gateway and/or ELB as a pathway to Curtin University.

You don't need to apply for the Curtin English scholarship. You'll find out if you're eligible when you receive your conditional offer from Curtin. From there, you'll simply need to accept your conditional offer and start your Curtin English course outlined in the offer to be placed into the scholarship program.

**Scholarships are subject to change.*

Curtin English online

Curtin's General English and ELB programs can now be studied online. We offer both real-time interactive teacher-led classes as well as self-paced individual study so you can begin learning from your current location. For more information, visit curtin.edu/study-elb.

Curtin College pathway to university

Manage your finances

Before you start your course, consider the financial implications, find out how much it will cost and look at ways to manage your budget.

Tuition fees

You will need to pay tuition fees for each unit you undertake at Curtin. The amount you pay will depend on the course you are studying, the units you enrol in and whether you are a domestic or international student.

The tuition fees (shown in Australian dollars) on pages 24-45 reflect the estimated cost of the first year and total cost of your study. These fees are based on standard full-time study load as per the course structure.

Some courses run on trimesters (three trimesters a year), while some may have a standard load of 75 credits per semester (two semesters a year), therefore the cost of the first year may be slightly lower or higher than the standard 200 credits per year.

The tuition fee is calculated and charged on a semester or trimester basis. All fees are subject to annual increases of no more than five per cent.

Our fees and charges web page shows the required student contribution for every unit.

For more information on fees, visit curtin.edu/int-fees.

Incidental fees

Some courses require compulsory additional payment for retainable materials and course-related fees. These are known as essential incidental fees, and will be provided in your Letter of Offer. Some individual units may have optional fees for course materials and other course-related items.

Refund agreement

The categories under which Student Administration and Fees will assess an application for refund are laid out in the University's International Student Refund Agreement. The agreement is supplied to you with your Letter of Offer and can also be accessed online at curtin.edu/fees-refunds, where you can also view the most up-to-date information as the policy is subject to change.

Other expenses

Tuition fees do not cover the cost of some items required for studying a particular unit or course. Examples of these items include but are not limited to:

- art supplies
- field trips
- first aid courses
- lab coats
- textbooks
- Working With Children Check.

You may also incur day-to-day expenses, which include but are not limited to parking, transport, food and recreation costs.

Curtin Student Guild

The Guild provides comprehensive education, welfare and social services to its members. If you become a full Guild member, you can take advantage of discounts both on and off campus. In conjunction with the Curtin Bookshop, the Guild offers bookshop grants to students in need of financial assistance. The Guild also offers tax and budgeting advice.

Elite athletes

Elite athletes may be eligible for funding support via:

- Elite Athlete Grant – awarded annually to student athletes in the Elite Athlete Program who display sound academic results while competing in their respective sports.
- Subsidies to assist student athletes in representing Curtin at the Australian University 'Nationals', World University Games/ Championships and other events.
- Free Curtin Stadium gym memberships.

Visit curtin.edu.au/sport/competitive-sport/elite-athletes.

Getting to Curtin Perth

Curtin is located just six kilometres from the city centre. There are several easy, safe, affordable and environmentally friendly ways to get to and around campus.

Parking

Our pay-as-you-go parking system means you only pay for the time you park on campus. Download CelloPark from the App Store or Google Play and you'll be ready to park.

Transperth buses

More than 500 buses stop at Curtin each weekday during semester. Curtin has two main bus terminals: Curtin Bus Station, which is located on the east side of campus, and the new Curtin Central Bus station, located on the campus' north-west side.

Two high-frequency bus routes – 100 and 101 – connect Curtin with the Canning Bridge train station. Routes 998 and 999 connect Curtin with Oats Street train station.

The CircleRoute buses, which run between Perth's universities, train stations and shopping centres, leave every 15 minutes between 6:30am and 8pm.

Transperth travel concessions are available on request to all full-time students.

Curtin shuttle buses

We provide a free hail-and-ride bus service for students living in Waterford, Bentley, Victoria Park and South Perth. Known as Curtin Access Bus Service (CABS), it runs during semester on weekdays.

There's even a CABS smartphone app that provides live GPS tracking, route mapping and access to timetables.

Trains

Mandurah Line

Many Perth – Mandurah trains stop at the Canning Bridge train station, where you can catch a connecting Transperth bus to Curtin. Buses run every seven to eight minutes during peak times.

Armadale Line

Many Perth – Armadale trains stop at Oats Street train station, where you can catch a connecting Transperth bus to Curtin.

Cycling

In addition to the many bicycle racks, secure bicycle pods are an increasingly common feature on campus. Showers are available at some bicycle enclosures. Entry to the facilities is by swipe card access, available from Curtin Security.

1 Exchange Precinct

Exchange is our new innovation precinct, home to our two new student accommodation buildings and the School of Design and the Built Environment.

2 Curtin Stadium

The stadium includes a fitness centre and facilities for tennis, basketball, volleyball, table tennis, badminton, netball, futsal, floorball and group fitness classes.

3 Guild Precinct

The Curtin Student Guild provides educational, commercial and social services to its members. It also operates many services on campus including cafés and cafeterias, The Tav, second-hand bookshop, Curtin Concept store, and the Copy & Design Centre.

4 Main Café and Common Ground Café

There are 12 food outlets at the main campus and several food trucks that change locations daily throughout semester.

5 Curtin Connect

This is the first point of contact for all queries from current and future Curtin students and parents. Here you can speak to experts on courses, admissions, housing, enrolment and careers.

6 Robertson Library

The Robertson Library is spread over five levels and includes the Bookmark Café, Lounge, iZone and wireless internet. During semester, it's open 24/7.

7 Health Services Centre and Counselling Service

The centre includes a medical centre where you can visit either a doctor or nurse. You'll also have access to psychologists and social workers.
